

THERMOSET RESIN

We're Much More Than Epoxies!

TRFA facilitates educational and networking opportunities to share innovative epoxy and other thermoset industry advancements.

8 WAYS TRFA MEMBERSHIP WILL POWER YOUR FACILITY

1. **Networking!** Unparalleled opportunities in the only association dedicated specifically to the interests of the thermoset resin industry.

3. **Be in the Know!** Access presentations from the winners of TRFA's annual Academic Awards competition. Always interesting and insightful presentations from graduate students from leading universities involved in research relevant to thermoset chemistries and applications.

2. **Return on Investment Through the Annual Meeting!**

a. **Save Money!** Reduced fees for all employees of your organization to attend the premier annual event for the thermoset industry featuring technical presentations and industry specific programming.

4. **More Education!** Virtual education is provided throughout the year, accessible to TRFA members at reduced rates.

b. **Visibility and Promotion!** Opportunities to exhibit your products and services to industry professionals at reduced rates at the TRFA Annual Showcase.

5. **Access to Essential Regulatory Information!**

c. **Access to Everyone in ONE Place!** Network with customers and suppliers at the annual showcase and through other networking events held during the annual meeting.

6. **Wealth of Knowledge!** Access to TRFA's growing library of technical papers from the last 18 years.

d. **Discounts on Focused Education!** Reduced rates to attend TRFA "Deep Dives". These are day long educational events given by industry experts to explore in detail specific subject matter.

7. **Internet Visibility!** Additional internet visibility for your company with links from the TRFA member list to your company's website.

e. **Something for Everyone – Training for Those New to the Industry!** Reduced rate on training classes such as our "Epoxy 101" event, which is ideal for new hires.

8. **Community Discussion Forum!** Interactive space for members to stay connected.

Membership Application

Application for:

Choose one: Formulator Supplier Distributor Professional Services

Choose one: Regular Trial Trial Meeting

Application for Membership in the Thermoset Resin Formulators Association is hereby made for (hereinafter called Applicant):

1. List full legal name of firm, corporation, partnership, individual or other type of business applying for membership:

Address _____

City/State/Zip/Country _____

Telephone _____ Fax _____

Email _____

Company Web Site _____

Length of time applicant has been active in the thermoset formulating industry: _____

2. Name of Principal Representative: _____

Principal Rep. Email: _____

Position: _____ How long with Applicant: _____

3. Type of Ownership: Sole-Proprietorship Partnership
 Corporation Limited Liability Co.

4. Total number of employees of Applicant: _____

5. BUSINESS — The nature of your business is:

Formulate/Fabricate Thermoset Resins Supplier of Raw Materials

Supplier of Formulation Equipment Supplier of Other Equipment

Manufacturers Representative Sales handling materials or equipment

Distributor handling materials or equipment

Importer of Raw Materials or Processing or Other Equipment

Academic/Research Laboratory Consultant

Other - Please Explain: _____

6. What is the PRIMARY END PRODUCT(S) manufactured/supplied or service performed by your company:

7. What is the market focus of your company? Please check all that apply.

Coatings, Civil Engineering, Flooring Composites & Tooling

Adhesives & Sealants Potting, Encapsulation, Electrical

Other?: _____

8. Please tell us who referred you to TRFA, or how you heard about TRFA:

ANNUAL DUES: A graduated dues schedule has been adopted by the Association, based on your sales volume relating to the Thermoset Industry for the last fiscal year.

9. FORMULATOR, SUPPLIER, DISTRIBUTOR MEMBER DUES CATEGORIES:

<u>Annual Sales Volume to the Thermoset Industry Formulator</u>	<u>Annual Dues</u>
<input type="checkbox"/> \$0 – \$2,500,000	\$500
<input type="checkbox"/> \$2,500,000 – \$5,000,000	\$1,500
<input type="checkbox"/> \$5,000,000 – \$10,000,000	\$2,000
<input type="checkbox"/> \$10,000,000 – \$25,000,000	\$3,000
<input type="checkbox"/> Over \$25,000,000	\$3,500

<u>Annual Sales Volume to the Thermoset Industry Supplier</u>	<u>Annual Dues</u>
<input type="checkbox"/> \$0 – \$5,000,000	\$1,000
<input type="checkbox"/> \$5,000,000 – \$10,000,000	\$2,000
<input type="checkbox"/> \$10,000,000 – \$500,000,000	\$3,500
<input type="checkbox"/> \$500,000,000 – \$1,000,000,000	\$4,000
<input type="checkbox"/> Over \$1,000,000,000	\$5,000

<u>Annual Sales Volume to the Thermoset Industry Distributor</u>	<u>Annual Dues</u>
<input type="checkbox"/>	\$1,500

<u>Professional Member Dues Categories</u>	<u>Annual Dues</u>
<input type="checkbox"/> Service Professional	\$500
<input type="checkbox"/> Educational & Government Professional	\$150
